

# SPLENDOUR ETIQUETTE

(otherwise known as DO'S & DON'T'S!)

Here are some important tips to help you enjoy your day. Thanks for taking the time to read this information.

Gates open at 11am each day. Passouts available from 2pm.

Be prepared to be searched upon entry (including bags). Unfortunately we need to do this and your cooperation is appreciated. PROHIBITED ITEMS - The following items will not be allowed at Splendour:

Glass, cans, skateboards, boogie boards, milk/bread crates, chairs (inc. folding, portable, camping), anything studded, weapons of any kind, fireworks, alcohol, illicit drugs, video & tape recording devices, professional still cameras (small still cameras ARE allowed), laser lights, umbrellas, water pistols, any other items considered illegal or dangerous, animals. Please remember to drink lots of water throughout the day. Sealed plastic (no glass) bottles of water are allowed to be brought onto the site. You can get refills from our water tank (see map).

Stage diving, crowd surfing & moshing are absolutely prohibited and will not be tolerated. Any patron caught practising this behaviour risks eviction from the site plus a possible fine. St Johns Ambulance, Red Cross Save-A-Mate and Gold Coast Chillout crowd carers will be on site for the duration of the event - if you require assistance refer to the map for locations.

To report LOST AND FOUND articles, please go to either of the Info & Inquiries Booths (one inside the festival next to the cloakroom, the other near the campground kiosk). Found items can also be handed to security personnel at the festival entrance.

DON'T BE A TOSSER! Please don't rubbish the Bay. On site, there are separate bins for rubbish and recyclables. Please use the correct bin. Smokers please use the 'Binyabutt' canisters that you'll find at the festival.

Splendour's ECO COPS will also be on patrol making sure that everyone is showing proper respect to the surrounding environment. They'll let you know if you're doing something environmentally dodgy, such as pissing in the bushes, throwing ciggy butts on the ground, or dropping food in the recyclables bins. Please take any 'warning' in good humour and by all means ask the ECO COPS why the festival has such rules. Check out Splendour's new recycling station. Who knows, it might even be worth your while to help us recycle. 'Can do' attitude required!! At the end of the day, travel safely. Use the shuttle bus service to Byron town or stay on footpaths if walking.

Please respect our neighbours and the town of Byron Bay.

We thank you for your support and hope you have the time of your life at Splendour 2007.
